

# Business Summary

## Overview

703 Gladewater Street  
PO Box 1209  
Kilgore, TX 75663-1209  
Tel : (903) 983-1592  
Fax : (903) 984-1128

## Market Focus: Build to Print Structures for Commercial Aerospace, Military and Energy Industries

Total employees : 46 Floorspace: 103,135 sq ft

Quality System: AS9100D:2016 & ISO 9001:2015

3, 4, 5-axis High Speed CNC Milling up to 160"

CNC Turning up to 63" x 246"

Waterjet Cutting up to 72" x 144"

Assembly, Kitting, Pull Delivery Systems

# MERRITT

PREFERRED COMPONENTS

## Machining Capabilities

Merritt specializes in complex medium to large, CNC milling, turning, grinding and assembly.

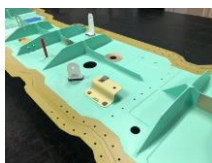

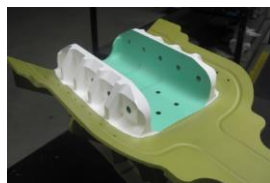

Our core competencies include both high velocity aluminum machining as well as titanium, stainless, and other hard metal machining.

Part Probing,  
Vericut, Automatic  
Tool Length  
Measurement,  
CATIA V5, and  
MasterCam enable  
us to achieve first  
part success.

## Key Products

- Floor & Side Frames
- Trunions
- Bulkheads
- Web Assemblies
- Wing Attach Fittings
- Rib Assemblies
- LG Struts, Braces and Pistons
- Energy Fluid Ends
- Energy Downhole Tools
- Offshore Subsea Components

## Partial Customer List

- Boeing Commercial
- Boeing Defense
- Cameron
- FMC Technologies
- Halliburton
- IAI
- KAI
- Komatsu
- Lockheed Martin
- Triumph
- Weatherford

## Assembly Capabilities

- 5,000 sf dedicated area
- Climate Controlled
- 12' x 12' Paint Booth
- Table-Top style or Jig load
- Installation of fabricated details – bearings, nutplates, grommets, sealants, primers, clips, brackets
- Higher level assembly integration
- Secure assembly small parts inventory area
